Newsletter -15th October 2025

A message from Mrs McGann

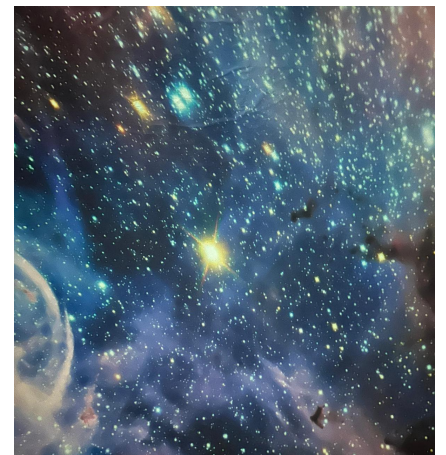

We kindly ask all parents and carers to support our efforts in promoting healthy habits at school. Please ensure that your child's packed lunch includes healthy and nutritious food choices. We would like to remind you that we are a **nut free** school and also ask that children bring **water only** in their water bottles please.

We have thoroughly enjoyed welcoming you into school this term for the Year 6 meeting, the phonics sessions, Mrs French's coffee morning and for the Family Learning courses.

The Family Learning 'Fun with Phonics' 5 week course will also start on **Tuesday 4th November, 9:30-11:30am** in school. This **FREE** course will guide you through how phonics is taught and give you lots of tips and ideas on how to support your children at home. If you would like to attend, please email rebecca.bott@york.gov.uk in advance. There is also a **FREE** 'Phonics Fun' drop-in session on 21st October 9:30-11:30am, where you will get an overview of the 5 week course, and have the chance to make some fun activities/resources to take home to use with your children. Please email the above email address to register your interest for this in advance.

We were so lucky to have an incredible mobile planetarium in school this week. It brought the wonders of the universe right into our school hall for the day. The immersive 360° experience made everyone feel like true astronauts on a galactic adventure!

We were lucky to be once again invited to take part in 'York Unlocked' where we found out about significant buildings in York.

Early Years visited Clifton Explore Library last week to celebrate Libraries week.

We all enjoyed our DT projects including: junk modelling, fairground wheels, cars with a slingshot mechanism and fabric bags!

Miss Yandell led the most wonderful Musical Connections sessions this week with our Owls and the Rolling Tones Choir. It was magical to see the joyous interactions between the two generations.

We have been busy with our exciting extra-curricular activities such as computing club and another fantastic football tournament.

Fun with our Buddies
