A message from Mrs McGann

As we come to the end of another school year, all of the staff would like to thank our entire school community for such a brilliant year at Burton Green. Your kindness and support are greatly appreciated.

We would like to say a fond goodbye to our lovely Year 6 cohort. School is going to be very quiet without them! We wish them all the very best in the next stages of their educational journey.

We are also saying goodbye to Miss Neale who we have all enjoyed working with this academic year. She is a brilliant teacher and will be an asset to the team at Woodthorpe Primary.

Miss Tutill is getting married over the summer. We hope that they both have a very special day and we look forward to welcoming her back to Hares' class as Mrs Griffiths.

Finally, we are thrilled to announce the appointment of Charlotte Yandell to our Early Years team, where she will be working with our wonderful group of 2-year-olds in Tiny Toadstools. Some of you may already know Charlotte from the fantastic work she has done with our school and Musical Connections.

I wish you all a restful and enjoyable summer break and really look forward to seeing you all on Tuesday 2nd September.

Thank you for your support during the Summer Fair.
We appreciate all of the donations, you have been very generous.

It was such a wonderful atmosphere and we raised over £400!

Summer Reading challenge

The children can sign up at the library and have until 13th September to complete the challenge of reading six books. They will receive a fold out booklet and a sticker to add to it for each book read. Each week they will be entered into a prize draw to win prizes such as tickets for a family roller skating session, clip and climb and the pantomime. If they complete the challenge they will receive a medal and a certificate.

Year 6 enjoyed their end of year trip to Hollywood Bowl. They had great fun bowling and also enjoyed competing in mini golf. Lunch in the American diner was a great success!

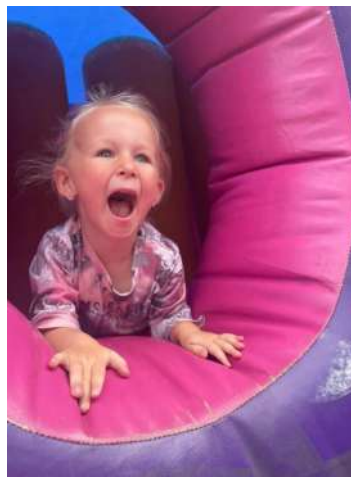

Year 5 and 6 visited Duncombe Park this week to explore the physical geography and the habitats. They used equipment to do mini beast hunting in the woods and walked up the dried river bed.

Our Teddy Bear's Picnic was magical and full of fun, friendship, and furry companions!

As usual, our lunchtime team went above and beyond to make the experience extra special for the children - including bear ears and delicious biscuits!

Mr Holmes organised another phenomenal Fitness Fun Day for the children. The photographs show the fun that was had by all children on this fully inclusive day. Highlights included dodgeball, the inflatables and smoothie making.
