## A message from Mrs McGann

It is a huge support to us if you book your children into the After School Club using ParentPay. Please see Mrs Dobson, one Wednesday, if you are unable to do this and she will be able to help.

On Friday, it is NSPCC Number Day. Children can wear non-uniform and try to wear a digit or something mathematical.

On Thursday 12th February, there will be a Tombola and Cake Sale after school. Any donations of buns would be greatly appreciated, as would items for a tombola.

Hedgehogs have been working incredibly hard in maths and are proudly writing their own addition sentences!

In provision, they have also been problem solving to build a strong and stable bridge for the Three Billy Goats Gruff and the Gingerbread Man.

This group of children represented our school at the Panathlon Challenge. They took part in activities such as kurling, boccia and table cricket.

In Computing, Hares are building rockets! They have been using the app Sketchpad to design and plan what they are going to look like.

They are all very excited to make them and will be testing how far they fly on the playground.

World Book Day is on Thursday 5th March.

Please could the children come to school dressed as a character from a book.

This week's highlight: Hedgehogs conquering the climbing walls at Freekime!

Owls class had a fantastic time last week celebrating Burns Night with Musical Connections, taking part in lots of singing and dancing.

It is always lovely to see the two generations together.
