A message from Mrs McGann

It was lovely to see the sunshine last week! The brighter weather brought a real sense of energy to school. Thank you for your fantastic support with the World Book Day costumes. The children looked amazing and it was wonderful to see such creativity and enthusiasm for books.

We are delighted to welcome Charlotte Bamford as our new Parent Governor. Charlotte joins the governing body with a keen interest in supporting the school and helping it continue to provide the best possible opportunities for all our pupils.

Our nursery children had a wonderful time celebrating **Holi**, the Hindu festival of colour. To mark the occasion, the children explored lots of bright colours through creative activities and play.

A Message from our School Council

The School Council has planned Comic Relief for Friday. They would like the children to:

- Wear non-uniform
- Wear something red or make yourself look silly
- Put a donation into the bucket for Comic Relief
- Design a red nose competition
- Each class will tell jokes in assembly.

WORLD
BOOK DAY
5 MARCH 2026

The highlights of the day were seeing everyone dressed as their favourite book characters and also seeing every child reading in the school library. The creativity and effort put into the costumes were truly amazing!

We are very proud of the children in Key Stage 2 who recently represented the school in two exciting sporting events. A group of pupils took part in a dodgeball competition where they showed fantastic teamwork, determination and sportsmanship throughout the event. We also had a team of girls representing the school at a girls' football tournament. The team played with great energy and confidence, showing excellent passing, teamwork and resilience. It was wonderful to see their skills developing and their positive attitudes both on and off the pitch.

Last week, Foxes Class enjoyed a wonderful educational visit to the Yorkshire Sculpture Park. The children were excited to explore the beautiful outdoor landscape and discover the many fascinating sculptures placed around the park.

Owls and Foxes had a fantastic time in their music workshops with the Music Education Group.
